QUICKTURN

Gameday just a few weeks away and still wanting custom socks? No worries. Our  **QUICKTURN** program offers a 14-day turnaround* on all domestically-produced socks listed in this catalog. Anywhere you see the logo to the right, it will signify a product that qualifies for this program.

*Turnaround times begin after art approval. Any changes requested to the order or failure to approve artwork will result in delays in product delivery.

*Orders greater than 300 pair are subject to longer lead times.

USA MADE

TCK has been manufacturing domestically since 1961. We are proud to continue that tradition. We offer many styles that are still  **Made**.

Anywhere you see the logo to the right, you can trust that the product was produced right here at home.

FOOT SOLUTIONS

Your feet are important and your ailments are real. That's why TCK is introducing **TCK Foot Solutions**. Designed with the athlete in-mind, we spent countless hours perfecting this product. Its focus is to **help reduce pain**, offer **additional comfort**, **aid in recovery**, and/or **add stability**. Because each person's needs are different, we created four unique products:

- 1.) **TAPE SOCK** - This product is designed **to add additional stability and help reduce swelling** in the foot and ankle
- 2.) **PLANTAR FASCIITIS** - This product was designed with targeted compression and quilted padding **to aid with painful symptoms associated with plantar fasciitis**.
- 3.) **ACHILLES TENDINITIS** - This product has the same great features as the *plantar fasciitis* with additional support and padding around the achilles **to aid with painful symptoms associated with achilles tendinitis**.
- 4.) **GRADUATED COMPRESSION** - Also packed with the same great features as its sister product, this item adds a graduated compression leg that **aids in recovery and helps reduce swelling**.
